

## ELLA 2001, writing criteria

Attention: Mr Y. Denning-Street, Head of Road and Traffic Department  
Re: Widening of Appletree Lane, Treeville

Dear Mr Denning-Street,

I am sending you this letter of complaint; attached with a petition, on behalf of the community here at Treeville; against your proposed plans for widening Appletree Lane, Treeville.

I have done some extensive research to find some information that you might have not known previously.

- Appletree Lane was named because of the expectionly old apple trees which evenly line the thin, two lane road.
- The community and ~~viseters~~ visitors only go through Appletree Lane because of it's beautiful nature and cleanness. I collected this information personally at the intersection of one street, and major road, Orange Street. The names on the petition marked 'O' are from these people. If you widened ~~ed~~ our street, it wouldn't change because no-one would use it.

Since you are fairly new to Foreston Council, I will excuse you for not knowing that it is against the Federal Law to extend a street ~~that~~ without the publics approval.

I hope that we have convinced you to leave us alone because, if not, we'll see you in court.

Kind Regards,  
James Lee  
JAMES LEE  
(9 Appletree Lane, Treeville 2678)
